

# EMPLOYEE **BENEFITS** GUIDE

# 2025

# WELCOME

An important part of your compensation package are the employee benefits made available to all eligible employees. This guide will give you an overview of all of your available insurance benefit choices. Our H.R./ Benefits Team has worked hard to provide you with a broad choice of insurance benefits to protect you and your family in time of need. Please take the time to review the important information in this guide so you can make informed choices when selecting your benefits.

Please note, it is your decision whether to participate in any of the benefits offered. It is mandatory to review the benefit offerings and review your benefit choices. You can then enroll or decline any or all of the offerings.

To make the enrollment process as easy as possible, we have two ways for you to enroll:

## By Phone

Call the Enrollment Call Center at 833-282-7726. The enrollment call center is open for you to enroll or ask any benefit related questions from 9am-6pm, Monday - Friday.

## Online

Visit [calendly.com/d/crh6-f73-4dh/2025-attain-employee-benefits-open-enrollment](https://calendly.com/d/crh6-f73-4dh/2025-attain-employee-benefits-open-enrollment) to view more information about your employee benefits and get instructions on how to complete your enrollment.

Again, welcome aboard! Wishing you much success!

This Guide is intended to describe the eligibility requirements, enrollment procedures and coverage effective dates for the benefits offered by the company. It is not a legal plan document and does not imply a guarantee of employment or a continuation of benefits.

While this Guide is a tool to answer most of your questions, full details of the plans are contained in the Summary Plan Descriptions (SPDs), which govern each plan's operation. Whenever an interpretation of a plan benefit is necessary, the actual plan documents will be used.

## ELIGIBILITY

All full-time employees working a minimum of 30 hours per week are eligible for company benefits. You can elect medical, dental, and vision coverage for your spouse and dependent/adult children up to 26 years old. Your employer reserves the right to request proof of marriage and birth certificates in order to add dependents.

## WHEN COVERAGE BEGINS AND ENDS

Your benefits become effective the 1st of the month following 60 days from date of hire provided you've elected your benefits with an enrollment specialist during the enrollment period. Any applicable waiting periods or additional exceptions are covered under each benefit description.

Your coverage under the benefits plans will end the day of your last day of work and/or the last day of the month, the day you no longer meet the plan's eligibility requirements, your contributions are discontinued, or the Group Insurance Policy is terminated.

## QUALIFYING EVENTS

Eligible employees may enroll or make changes to their benefits elections during the annual open enrollment period. As with most benefits, once you elect an option you are bound to that choice for the entire plan year unless you experience a Qualifying Event. Employees have 30 days from a Qualifying Life Event to make changes.

These may include, but not limited to: Changes in employment status, legal marital status or number of dependents, taking an unpaid leave of absence, Dependent satisfies or ceases to satisfy eligibility requirement, a COBRA-qualifying event, Entitlement to Medicare or Medicaid, or a change in the place of residence of the employee, resulting in the current carrier not being available.

## THINGS TO CONSIDER

Consider your personal situation and the difference between the plan options and their costs when making your decision. You may also elect to waive coverage.

Ask yourself the following questions

- Will your current doctor be in or out-of-network?
- Do you have any planned surgeries this year?
- How many family members will you cover?
- How often do you visit the doctor?
- Are you planning to have a baby this year?

By reading this guide cover to cover, you will become familiar with your benefits options. After enrolling, verify that your payroll deductions are correct. If not, please contact your HR representative.

## IN-NETWORK

Health care received from your primary care physician or from a specialist within an outlined list of health care practitioners.
